

COPACC NEWSLETTER

August 2018

Cross pollinationN

Thank you to all the amazing and generous supporters of CrossXpollinationN 2018!

The great success of this year's exhibition would not have been possible without the award entry artists, the feature artists for their wonderful displays and enthusiasm for talks and workshops, Sue Ferrari and the South West TAFE visual arts students, our curators Carole Redlich and Andrew Delaney, our partners at the Red Rock Regional Theatre And Gallery, Veronica Phillips for coordinating the local schools' creative foyer display, the wonderful volunteers who welcomed visitors to the exhibition, all the visitors who came and marvelled at the visual feast and, last but certainly not least, our sponsors Star Printing, Tarndie and Irrewarra Sourdough. And not to forget, the COPACC team that worked hard to deliver another quality exhibition.

The theme for 2019 - 'Connections' - was announced at this year's official opening, and further details will be circulated shortly.

MORNING MUSIC

We've Only Just Begun

Wednesday 29 August, 11am

Creating a remarkable and intimate musical experience, Australian music theatre star, Angela Lumericisi channels Karen Carpenter's unique voice and distinctive style.

Join us for a celebration of the many memorable and heart-warming songs that have captivated generations of fans.

RED RACING HOOD

September school holiday fun!

Tuesday 25 September, 10am and 1pm

The famous car race, The Grinalong Classic stopped 50 years ago when a wolf that lived in nearby Tangled Woods destroyed racing cars and the drivers fled in terror. Now the new Mayor has a plan to bring back Grinalong's glory days!

Environmental and civic responsibility, the survival of small towns and the strength of women, young and old are all themes that are explored via the medium of slot car racing!
